

Sarcoma Foundation of America

Sarcoma Research Grant Applications Accepted Beginning October 2011

For the official application, please go to: www.curesarcoma.org

The Sarcoma Foundation of America will begin accepting grant requests in October 2011. Grants of **\$50,000**, allowing up to 10 percent indirect costs, are available to cover equipment and supplies in support of research on the etiology, molecular biology, pathogenesis, diagnosis, and treatment of human Sarcomas.

Preference will be given to proposals that focus on promising molecular targets and new or uncommon therapeutic approaches.

The SFA raises funds to support basic research focused on discovering and developing new and effective therapies to treat and eradicate Sarcoma.

Application deadline is January 31, 2012

International applications accepted
