Sarcoma Foundation of America celebrated our relationship in Pittsburgh with the team.

Big thanks to Sue Suit, Cindy Firetto and the entire Pittsburgh Cure Sarcoma team who diligently work towards raising awareness and fundraising for research locally and through SFA's research program.

Nearly \$200,000 was raised through events to support research in Pittsburgh and nationwide.

They are tirelessly working on this year's event too.  
This year's 5k will be held on **Saturday, July 9th.**
