2017 Year in Review

We are nearing the end of the first month of 2018 and the Sarcoma Foundation of America (SFA) is grateful for everything that you've done to help us kick off this new year. With your help, we continue in our work to make a difference in the lives of sarcoma patients and their families.

While we can't wait to see what the rest of 2018 will bring, we first want to take a moment to look back on the previous year. Thanks to your support and generosity, the Sarcoma Foundation of America had an exceptional 2017!

My Sarcoma Story: Stacy

Stacy's Sarcoma Story: "The mets are back in my lung so I'm receiving chemo again. I firmly believe in being positive and finding your smile every day. It helps you beat this beast and it helps your family and friends to see your smile. Do not let cancer steal your smile. All my love to those sarcoma warriors and their families."

Create a Dedication Page for Your Loved One

Are you looking for a way to honor a someone who has been impacted by sarcoma? Creating a dedication page in memory or in honor of a loved one is a great way to acknowledge them while supporting the Sarcoma Foundation of America.

Each page tells a story of a special person and provides the opportunity for others to make an online donation in their name to support the SFA's mission. It is a heartfelt way to express your love and appreciation.

You can create a personalized fundraising page to share with friends and family to memorialize, honor or celebrate your loved one at www.curesarcoma.org/memorial-and-honorary-giving/. Questions about setting up a dedication page? Please contact us at dedications@curesarcoma.org or at 301-253-8687.
