Childhood Cancer STAR Act Passes the Senate

Exciting news! The STAR Act, the most comprehensive childhood cancer bill ever introduced, has passed the Senate. The STAR Act would expand opportunities for childhood cancer research, improve efforts to identify and track childhood cancer incidences, enhance the quality of life for childhood cancer survivors, and ensure publicly accessible expanded access policies that provide hope for patients who have run out of options. Learn more about the STAR Act at <https://www.curesarcoma.org/get-involved/advocacy/>.

The bill now moves on to the House of Representatives for passage. Ask your member to pass the Star Act! Find out how you can help at <https://www.curesarcoma.org/action-alert-childhood-cancer-star-act-2/>.

Spring for Sarcoma Raises Money for Sarcoma Research

On Friday, March 16, *Spring for Sarcoma* was held at Wyndridge Farm in Dallastown, PA, to raise money to fund sarcoma research through the Sarcoma Foundation of America.

Spring for Sarcoma was a major success! A packed house of 215 people from 12 states raised more than \$100,000. The night was filled with fun, food, silent and live auctions, dancing with music from the Bottom Feeders, as well as great generosity in raising research funds for sarcoma.

"It was an amazing night and we are overwhelmed by the generosity and support of friends and the community for the *Spring for Sarcoma* benefit," says Kathy Jensen, co-chair of *Spring for Sarcoma*.

You're Invited to Stand up to Sarcoma

The Sarcoma Foundation of America cordially invites you to our 16th Annual Fundraiser, [Stand Up to Sarcoma](#).

Stand up to Sarcoma honors those who have battled sarcoma, as well as those who have dedicated their lives and careers to the treatment of sarcoma patients. The event raises money to fund innovative sarcoma research leading to the development of new and better therapies for sarcoma patients.
